

# SOOTHING CLEANSING MICELLAR GEL

## CLEANSING & MAKEUP REMOVAL SOOTHING - CALMING - MOISTURIZING

The soothing cleansing micellar gel cleanses and removes make-up gently. It is formulated at physiological pH for normal to dry skins. Enriched with aromatic water of Gorse flowers, it soothes the skin for an instant sensation of comfort and calms redness and tightness feelings of the sensitive skins. Palmaria red algae calms, soothes and remineralizes the skin while the complex of vegetal glucose moisturizes the skin in-depth and restores the hydrolipidic film, which protects the epidermis. Its melting texture with apricot oily extract effectively removes impurities and makeup on the face, eyes and lips. The skin is clean, ready to receive face care products.

### CHARACTERISTICS

Tube of 3,38 oz.  
Formulated for normal to dry skins.

20% of the total ingredients are from Organic Farming  
**99% of the total ingredients are from Natural Origin.**

Cosmos Organic certified by Ecocert Greenlife according to COSMOS standard.

Tested under dermatological control.

0% paraben, mineral oil, phenoxyethanol, lauryl sulphate, phtalates, aluminium, triclosan, benzophenone, alkylphenol, lillial, BHA, PEG, formaldehyde, silicones, endocrine disrupter, EDTA, ingredients from animal origin. Not tested on animals.

### ACTIVE INGREDIENTS

	INGREDIENTS	DESCRIPTION	BENEFITS
	ISOTONIC SEAWATER	Collected from a protected area from outside pollution, the sea water is filtered of all impurities and sterilized by microfiltration. Pure Seawater revitalizes and remineralizes the skin by a synergic diffusion of minerals and trace elements. Seawater at a perfect degree of salinity creates an isotonic environment for cells. Thus the concentration of water is similar in solute to that of the membrane of our cells. Cells will recognize the same concentration and take what they need in minerals and trace elements for an optimum effect. Through biomimicry, seawater increases the product's effectiveness by promoting the diffusion of active ingredients through the skin barrier.	<p>Enhances the diffusion and action of other active ingredients</p> <p>Revitalizes</p> <p>Soothes</p> <p>Protects the skin</p>
	APRICOT OILY EXTRACT	Blend of apricot kernel oil and a natural emulsifier, this active ingredient has a dual action. It is a gentle emulsifying cleanser enriched in unsaturated fatty acids that nourish and soften the skin.	<p>Cleanses gently</p> <p>Removes make up effectively</p> <p>Nourishes in-depth</p>
	BROWN SEAWEED SERUM	The brown algae serum is prepared from Ascophyllum Nodosum standardized in minerals content for a remineralizing and tonifying action.	<p>Tonifying</p> <p>Remineralizes</p>

	<p><b>AQUAXYL®</b> Glucose-Xylitol complex</p>	<p>Aquaxyl® is a complex Glucose-xylitol from vegetal origin. it reinforces and restores the barrier function of skin by stimulating the ceramides production. It also enhances the hydration rate of the epidermis by increasing the synthesis of glycosaminoglycans such as hyaluronic acid. Moreover, it smoothes the micro-grain of the skin.</p>	<p><b>Intense moisturization</b></p> <p>Reinforces the protective hydrolipidic film</p> <p>Plumps the skin</p>
	<p><b>PALMARIA PALMATA RED ALGAE EXTRACT</b></p>	<p>This red alga is rich in mucilage and lysine which gives moisturizing properties to the ingredient. This algae is also a rich source of amino acids, vitamin C and polysaccharides which help preserve skin elasticity. Rich in minerals, Palmaria algae soothes, remineralizes and tonifies the skin.</p>	<p><b>Moisturizes</b></p> <p>Maintains skin elasticity</p> <p>Soothes</p> <p>Tonifies</p>
	<p><b>AROMATIC WATER OF GORSE FLOWERS</b></p>	<p>Stimulates the release of beta endorphins of epidermic cells which triggers a relaxing and calming action for an immediate feeling of comfort.</p>	<p><b>Relaxing</b></p> <p>Comfort</p> <p>Calms</p>

**INCI LIST**

AQUA (WATER), MARIS AQUA (SEA WATER), ASCOPHYLLUM NODOSUM EXTRACT\*, CAPRYLYL/CAPRYL GLUCOSIDE, XYLITYLGLUCOSIDE, GLYCERIN, XANTHAN GUM, BENZYL ALCOHOL, ANHYDROXYLITOL, APRICOT KERNEL OIL POLYGLYCERYL-6 ESTERS, XYLITOL, PARFUM (FRAGRANCE), DEHYDROACETIC ACID, HYDROLYZED ALGIN, GLUCOSE, ASPARAGOPSIS ARMATA EXTRACT\*, BENZYL SALICYLATE, SODIUM HYDROXIDE, ZINC SULFATE, LIMONENE, CITRONELLOL, POTASSIUM SORBATE, SODIUM BENZOATE, LACTIC ACID.

**BEAUTY RITUAL**

First step of your beauty ritual in the morning and in the evening, apply the micellar gel on the face, neck, lips and eyes with a cotton pad. Its is not advised to rinse the micellar gel so that active ingredients can penetrate longer and more in depth into the skin.

**In the morning for a gentle cleansing:** apply the product evenly on the face with a cotton pad. Then apply the Instant Tensor Serum and the CC cream.

**In the evening to remove make-up:** Begin with the eyes, apply the micellar gel on the face with fingertips by massage on the eyelid to dissolve make-up. Then soak a cotton pad and remove the residues by pressing gently on the closed eyes. Repeat until the cotton pad is clean. Then remove the make-up on the lips by circular movements with a cotton pad. Finally remove the make-up on the complexion with a cotton pad delicately on the face : from the nose to the cheek, from the nose to the forehead, from the bottom of

the neck to the chin. The movement is from the inside to the outside. Repeat until the cotton pad is clean. Then apply the Instant Tensor Serum and a moisturizing cream if necessary.

**CERULE SKIN VALUES**

Cerule Skin products are made with Pure seawater and algae from the island of Molène in Brittany, France; and belonging to the biosphere reserve of Iroise. A sustainable and ethical reserve, listed as a UNESCO World Heritage Site since 1989. All our ingredients are harvested according high quality standard and in respect of nature, the environment and biodiversity.
